

## “RUNNING TO WIN” MULTI-SECTORAL WOMEN LEADERS TRAINING IN KISUMU COUNTY

Today 3rd May 2024, ENA and DTF with support from the Hanns Seidel Foundation (HSF), has convened a “Running To Win” Multi-sectoral Women Leaders Training in Kisumu County. This initiative has brought together women leaders from Siaya, Kisumu, Homa Bay and Migori Counties and is aimed to empower women from diverse backgrounds, including young women and those with disabilities.

The training also seeks to equip women leaders with the necessary skills and knowledge needed to thrive in leadership roles across various sectors fostering inclusive participation and providing targeted support. Beyond enhancing women’s representation in influential positions, the training seeks to cultivate a more equitable and inclusive society.

Through comprehensive training, mentorship, and networking opportunities, the women leaders will be empowered to advocate for gender equality and contribute to the political and socio-economic development of their communities, thereby safeguarding gains made in the gender space.
